Are you a newly trained or experienced Dentist in search of a challenging yet supportive practice opportunity? If so, consider joining the expanding Dental team at Family HealthCare Network. Located in the heart of California's growing Central Valley, we are a dedicated team, working together with patients to optimize the health of the community. Our Dentists are committed to offering exceptional primary care, and have the opportunity to build their skills among a team of multi-specialty providers. With access to on-site services such as ultrasound, imaging, laboratory services, and other specialty services, you will have the opportunity to focus on providing quality medicine with a mission.

Our employed positions offer a stable work environment with competitive income, comprehensive benefits and a team approach to care. You will be fully supported to provide the patient care you have been trained to do.

If you are a mission driven, Dentist who wants to make a positive difference in the lives of patients whom would otherwise go without care, then this is the right place for you.
