

### Part Time RDH wanted

Exeter office, 2 days a week, 8-5pm, 8 patients per day. We are a family practice with strong Covid-19 protocols. We take pride in being an office that values communication and education, this includes a good assortment of dental hygiene items that we dispense to patients, and the appointment time to demo and discuss. We offer a competitive wage and benefits.

We are replacing an RDH that has been with us for 14 months and is leaving us for a reason unrelated to our office. Our previous RDH was with us over 13 years.

This position will start mid-April.
